ECOO recognises that the professions of Optometry and Optics use different titles in different countries. ECOO recognises the titles of the professions of Optometry and Optics as those legal and customary titles of the professions in each member country.

Unless the context otherwise requires, words or expressions contained in these Articles shall bear the same meaning as in the Statutes

OBJECTS

2. ECOO is established for the objects expressed in the Memorandum of Association.

MEMBERS AND OBSERVERS

3. The number of members of ECOO is unlimited.

4. The subscribers to the Memorandum of Association and such other persons as shall be admitted to membership shall be members of ECOO.

5. Any person who wishes to become a member shall deliver to the Secretary General of ECOO an application for membership in such form as the Directors require. If and when the Secretary General is satisfied that the application is valid and in order, it shall be submitted to a General Assembly for approval and for the final decision to admit the applicant to be a member of ECOO.

6. In view of the representative nature of ECOO, the only persons who qualify to be members of ECOO are organisations / associations in the different countries of Europe, whether having separate legal personality or not, which are representative (directly or indirectly) of the whole or some significant part of the professions of optometry and/or optics in their own countries. In the case of any disagreement, a decision as to whether an organisation does or does not qualify for membership shall be referred to a General Assembly which shall decide the matter by ordinary resolution. Any organisation qualified to be a member may apply to be a member and shall be admitted unless in the opinion of a General Assembly, which shall decide the matter by ordinary resolution, there is a good reason not to admit that organisation.

7. Unless the Directors or a General Assembly shall make other provision pursuant to the powers contained in Article 86 (relating to Rules) the Directors may in their absolute discretion permit any member of ECOO to retire, provided that after such retirement the

number of members is not less than three. A General Assembly shall have the right for good and sufficient reason to terminate the membership of any member, provided that the member concerned shall have a right to be heard before a final decision is made. A member shall cease to be a member if its subscription is unpaid as specified in Article 53.

8. For the purposes, and as the only way, of exercising the rights attached to membership of ECOO, a single National Delegation of not more than three persons shall be appointed by the members situated in each country. Each such National Delegation shall be appointed by discussion and agreement between the members situated in each country. Such National Delegations shall not be members of ECOO in their own right, but shall represent the members separately and in aggregate in each country as described in these Articles.

9. Observers from member countries will be permitted to attend assemblies, subject to their being approved by their National Delegation and to the payment of meeting charges and, upon the invitation of the President, meetings of the Executive Committee. Observers may only speak at such assemblies or meetings with the permission of the President and may not vote thereat.

10. ECOO acting by the General Assembly may admit to affiliated membership European and international organisations having an affinity with, or interest in, optometry and optics. Affiliated organisations may speak at General Assemblies but may not vote and shall not be members of ECOO.

GENERAL ASSEMBLIES

11. ECOO shall each year hold a General Assembly as its Annual General Assembly in addition to any other assemblies in that year, and shall specify the assembly as such in the notices calling it. The Annual General Assembly shall be held at such time and place as the Directors shall appoint. All General Assemblies other than Annual General Assemblies shall be called Extraordinary General Assemblies.

12. The Directors or the President or the Secretary General may, whenever they or he shall think fit, convene an Extraordinary General Assembly, and Extraordinary General Assemblies shall also be convened on such requisition, or, in default, may be convened by such requisitionists, as provided by the Statutes.

NOTICE OF GENERAL ASSEMBLIES

13. A General Assembly shall be called by at least 30 clear days' notice in writing except that an assembly called to consider a resolution to amend these Articles shall be called by at least 60 clear days' notice in writing. The notice shall be exclusive of the day on which it is served or deemed to be served and of the day of the assembly and shall specify the place, the day and the hour of the assembly and, in case of special business, the general nature of that business and shall be given, in the manner hereinafter mentioned, to such persons as are, under the Articles of ECOO, entitled to receive such notices from ECOO; provided that an assembly of ECOO shall, notwithstanding that it is called by shorter notice than that specified in this Article, be deemed to have been duly called if it is so agreed:

(a) in the case of the Annual General Assembly, by all the National Delegations entitled to attend and vote; and

(b) in the case of any other assembly, by a majority of the National Delegations having a right to attend and vote at the assembly, being a majority together representing not less than 95% of the total voting rights at that assembly of all the National Delegations.

14. The accidental omission to give notice of an assembly to, or the non-receipt of notice of an assembly by, any person entitled to receive notice shall not invalidate the proceedings at the assembly.

PROCEEDINGS AT GENERAL ASSEMBLIES

15. The business to be transacted at an Annual General Assembly shall include the consideration of the accounts, balance sheets, and the reports of the Directors and auditors, the election of Directors in the place of those retiring (if any) and the appointment of, and the fixing of the remuneration of, the auditors.

16. No business shall, save to the limited extent set out below, be transacted at any General Assembly unless a quorum is present at the time when the assembly proceeds to business; one half (rounded down if need to be to the nearest whole number) of the number of National Delegations entitled to be present shall be a quorum. If within one hour from the time appointed for the assembly a quorum is not present, the President may proceed to consider the business of the assembly, provided that no decision taken at such an assembly shall have effect unless or until ratified by a majority of the National Delegations either by post or by vote at a subsequent General Assembly.

17. The President shall chair every General Assembly of ECOO, or if the President is not available, or if he shall not be present within fifteen minutes after the time appointed for the holding of the assembly, or is unwilling to act, the Directors present shall elect one of their members to chair the assembly. If at any assembly no Director is willing to act as chairman, or if no Director is present within fifteen minutes after the time appointed for holding the assembly, the National Delegations present shall choose one of the National Delegates to chair the assembly.

18. A Director shall, notwithstanding that he is not a member, be entitled to attend and speak at any General Assembly.

19. The chairman may, with the consent of any assembly at which a quorum is present (and shall if so directed by the assembly), adjourn the assembly from time to time and from place to place, but no other business shall be transacted at any adjourned assembly other than the business left unfinished at the assembly from which the adjournment took place. When an assembly is adjourned for thirty days or more, notice of the adjourned assembly shall be given as in the case of an original assembly. Otherwise it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned assembly.

20. At any General Assembly a resolution put to the vote of the assembly shall be decided on a show of hands (the head of the delegation voting for each National Delegation) unless a poll is (before or on the declaration of the result of the show of hands) demanded by the

chairman or by at least two National Delegations present and having the right to vote at the assembly.

21. Unless a poll is so demanded, a declaration by the chairman that a resolution has on a show of hands been carried or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the minutes of proceedings of ECOO shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

22. The demand for a poll may, before the poll is taken, be withdrawn but only with the consent of the chairman; and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.

23. In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the assembly shall be entitled to a casting vote except in relation to any election to the offices of President, President-elect, Secretary General and Treasurer or where other than a simple majority is required.

24. A poll demanded on the election of a chairman, or on a question of adjournment, shall be taken immediately. A poll demanded on any other question shall be taken at such time and in such manner as the chairman of the assembly directs, and any business other than that upon which a poll has been demanded may proceed pending the taking of the poll. The result of the poll shall be deemed to be the resolution of the assembly at which the poll was demanded. No notice need be given of a poll not taken immediately if the time and place at which it is to be taken are announced at the assembly at which it is demanded. In other cases at least seven clear days' notice shall be given specifying the time and place at which the poll is to be taken. A poll may be taken by the way of postal ballot, notice of the ballot being given to all National Delegates with votes being cast by post by National Delegations only.

25. Subject to the provisions of the Statutes, a resolution in writing agreed to by the required majority of eligible members shall be as valid and effective as if it had been passed at a General Assembly of ECOO duly convened and held.

VOTES

26. Every National Delegation (acting on behalf of the members it represents) present (by one or more of their number) at an assembly shall have on a show of hands one vote and on a poll every such National Delegation so present shall have one vote.

27. Each National Delegation shall at a General Assembly cast its vote (or abstain from voting) through its head of delegation.

28. A Special Resolution shall be required in respect of the following matters:

(a) To the extent required by law, to amend these Articles;

(b) To adopt and/or make any material amendment of the budget of ECOO mentioned in Article 52.

29. If a resolution (by whatever majority) is to be the subject of external publication or communication (including to members of ECOO) any National Delegation which did not vote in favour of the resolution may in writing in sufficient time require that its opinion or reasoned abstention, not exceeding a reasonable length, be published or communicated at the same time in the same manner as the resolution itself.

30. ECOO and its members and officers and National Delegations shall not be concerned as to the validity of the appointment, and continued appointment, of any one or more persons to be members of a National Delegation or to be head of delegation and any invalidity or failure in any such respect shall not affect the validity of any vote cast or action taken by such person or by such National Delegation prior to such invalidity or failure being discovered.

31. No objection shall be raised to the qualification of any voter except at the assembly or adjourned assembly at which the vote objected to is tendered, and every vote not disallowed at the assembly shall be valid. Any objection made in due time shall be referred to the chairman whose decision shall be final and conclusive.

DIRECTORS

32. The maximum number of Directors shall be determined by ECOO in General Assembly, but unless and until so fixed there shall be no maximum number. The minimum number of Directors shall be three.
